Questo tappetino multistrato ha un fortissimo potere assorbente. Assorbe rapidamente i liquidi, trattenendoli efficacemente al suo interno. E lavabile sia a mano che, per 300 volte, in lavatrice fino a 40° e si asciuga rapidamente. Il fondo speciale lo rende impermeabile. Ecologico e amico dell'ambiente: a differenza dei tappetini usa e getta, la cui produzione necessita di cellulosa, acqua ed energia, questo tappetino, essendo riutilizzabile, contribuirà ad evitarne lo spreco.
